Don't bur - y me, throw me in the San - dy Watch the riv - er fill my
lungs___ I'll sink to sleep, dream-ing sal-mon Un-til we find a way back home...
Chorus: - I beg of thee, dig no grave for me Don't lock me in a box in a plot marked with
stone Don't make me turn to coal at the bottom of a hole Set me free to join the oneness of the world.
